

Worship Service Prayer Suggestions

- Pray that the announcement slides will be an opportunity for worship to those who are present.
- Pray that people will read, consider, pray and respond as they see the slides.
- Pray that they will join in prayer for the prayer concerns presented in the slides and in the bulletin, so they begin worshipping before the "service" begins.
- Pray that the pre-service time will be a time for personal meditation and preparation for the group worship.

Music

- Pray for the thoughts of the musicians and worship leader to be on the Lord, singing and playing for him.
